Enduring power of attorney

(b) the power of attorney meets at least the following requirements:

(i) it is in writing, is dated and is signed

(A) by the donor in the presence of a witness, or

(B) if the donor is physically unable to sign an enduring power of attorney, by another person on behalf of the donor, at the donor’s direction and in the presence of both the donor and a witness;

(ii) it is signed by the witness in the presence of the donor;

(iii) it contains a statement indicating that it either

(A) is to continue notwithstanding any mental incapacity or infirmity of the donor that occurs after the execution of the power of attorney, or

(B) is to take effect on the mental incapacity or infirmity of the donor.

(2) An individual is not eligible to be an attorney under an enduring power of attorney unless that individual is an adult at the time that the donor executes the enduring power of attorney.

(3) The following persons may not sign an enduring power of attorney on behalf of the donor:
(a) a person designated in the enduring power of attorney as the attorney;
(b) the spouse or adult interdependent partner of a person designated in the enduring power of attorney as the attorney.

(4) The following persons may not witness the signing of an enduring power of attorney:

(b) the attorney’s authority under it is not terminated by the mental incapacity or infirmity of the donor that may occur after the execution of the power of attorney.

(6) This section applies notwithstanding any agreement or waiver to the contrary.

Incapacity at execution

3 An enduring power of attorney is void if, at the date of its execution, the donor is mentally incapable of understanding the nature and effect of the enduring power of attorney.

Effect of subsequent incapacity

4 An enduring power of attorney is not terminated by any mental incapacity or infirmity of the donor that occurs after the execution of the enduring power of attorney.
Coming into effect

5(1) An enduring power of attorney may provide that it comes into effect at a specified future time or on the occurrence of a specified contingency, including, but not limited to, the mental incapacity or infirmity of the donor.

(i) dies before the enduring power of attorney comes into effect, or

(ii) is unable or is incapable of determining whether the specified contingency has occurred,

the specified contingency shall be conclusively deemed to have occurred, for the purpose of bringing the enduring power of attorney into effect, when 2 medical practitioners declare in writing that the specified contingency has occurred.

Release of confidential information

6 Notwithstanding any restriction, statutory or otherwise, relating to the disclosure of confidential health care information, where an enduring power of attorney is to come into effect on the occurrence of a specified contingency that is the mental incapacity or infirmity of the donor, information concerning the donor’s mental and physical health may be disclosed to the extent necessary for the purposes of confirming whether the specified contingency has occurred.
