Requirements of consultation

2(1) Before the Minister makes a recommendation to the Lieutenant Governor in Council under section 135.1(1), 135.2(1), 135.3 or 135.4(8) of the Act in respect of an affected college, the Minister must send to the president of the affected college a written notice

- (b) inviting the affected college to provide the Minister with input as to the substance and form of the recommendation, and
- (c) specifying the time in which the affected college must provide its input to the Minister, which must not be less than 30 days from the date the Minister sends the notice.

(2) If the affected college has not provided input to the Minister before the expiry of the period specified by the Minister under subsection (1)(c), the consultation requirement in section 135.1(1), 135.2(1), 135.3 or 135.4(8), as the case may be, of the Act is nevertheless deemed to have been satisfied.

Expedited recommendation

3 Despite section 2, if the Minister considers it necessary to make a recommendation to the Lieutenant Governor in Council on an expedited basis to address a matter of patient safety, quality of care, public interest or critical workforce shortage, the Minister may consult with the affected college in such a manner as the Minister considers reasonable and practicable in the circumstances.

Consideration of input

4 The Minister must consider, but is not bound by, the input of the affected college.
