All persons making use of this consolidation are reminded that it has no legislative sanction, that amendments have been embodied for convenience of reference only. The official Statutes and Regulations should be consulted for all purposes of interpreting and applying the law.
ALBERTA REGULATION 64/2010
Carbon Capture and Storage Funding Act
CARBON CAPTURE AND STORAGE FUNDING REGULATION

Definitions
1 In this Regulation,
   (a) “Act” means the Carbon Capture and Storage Funding Act;
   (b) “advisory committee” means a committee established by the Minister under section 7 of the Government Organization Act to advance the purposes of the Act;
   (c) “Minister” means the Minister of Energy.

Authority to make payments
2 The Minister may make payments under the Act for any of the following if, in the opinion of the Minister, the payment will advance the purpose of the Act:
   (a) payments for the expenses of the Minister’s Department incurred to develop or refine a regulatory system for carbon capture and storage projects in Alberta, including payments for remuneration of and expenses incurred by members of advisory committees;
   (b) payments for the expenses of the Minister’s Department incurred with respect to further education regarding carbon capture and storage projects;
   (c) payments to any person or organization to acquire information, studies or research findings or to otherwise obtain knowledge where it can reasonably be expected to benefit carbon capture and storage projects in Alberta.

Expiry
3 For the purpose of ensuring that this Regulation is reviewed for ongoing relevancy and necessity, with the option that it may be repassed in its present or an amended form following a review, this Regulation expires on April 30, 2020.
