  - (b) submit to the Minister written returns containing or based upon those records at the times, in the manner, in respect of the periods, and containing the information, requested by the Minister.
- (7) In the event that any quantity of mineral obtained or produced from the Leased Zone within the Location, other than a Fluid Mineral Substance injected for the purpose of storage, is lost or cannot be accounted for as a result of the wrongful act or omission, neglect, carelessness, wilful default or fraud of the Lessee or of any person conducting operations or activities for or on behalf of the Lessee pursuant to this Agreement, the Lessee shall compensate Her Majesty for the fair value of Her Majesty's royalty share of the quantity of mineral so lost or unaccounted for.

  - (b) shall take all such steps as may be reasonable in the circumstances to remedy the event of force majeure.

If such a notice is so given, the non-performance or delay in performance of the operation, activity or obligation shall be excused for so long as the event of force majeure continues to prevent or impede such performance, and the time period relating to the performance of the operation, activity or obligation shall be extended for the period during which the defaulting Party is unable to perform it by reason of the event of force majeure.

**11. CANCELLATION**

  - (b) the default is not remedied within the 30-day period.
- (3) Notwithstanding subsection (1), any obligation, duty or liability of the Lessee incurred pursuant to this Agreement before this Agreement is cancelled or terminated, and subsisting or not fully carried out at the time when this Agreement is cancelled or terminated, survives the cancellation or termination of this Agreement.
