**COMMUNITY DEVELOPMENT**

**NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE**

(Historical Resources Act)

Des. 255

Notice is hereby given that sixty days from the date of service of this Notice and its publication in Alberta Gazette, the Minister of Community Development intends to make an Order that the building known as the Canadian Pacific Railway Station, Strathcona, together with the land legally described as portion of Plan I, Block L, shown as Lot 2 on Attachment A and municipally located at 8101 - 103 Street, Edmonton, Alberta be designated as a Provincial Historic Resource under section 20 of the Historical Resources Act, R.S.A. 2000 c.H-9 as amended.

The reasons for the designation are as follows:

The Canadian Pacific Railway (CPR) Station at Strathcona reflects the importance of the railway to the basic patterns of rural and urban development in Alberta. Constructed in 1907, the station in Strathcona replaced the original depot at the northern terminus of the Calgary and Edmonton Railway (C&ER) and reflected the CPR's ongoing commitment to developing Strathcona as the dominant terminal point in Northern Alberta. The station was built at a time of substantial local growth and optimism. Subsequent commitments by the Canadian Northern Railway and the Grand Trunk Pacific Railway to build terminal facilities in Edmonton, across the North Saskatchewan River, led to the eventual amalgamation of Strathcona with its larger rival, however, the Strathcona Station still serves as a visible reminder of the patterns of local development.

Architecturally, the station is a substantial and well-executed example of early twentieth century principles in railway station design. It is notable for its broad hip roofs, deep bracketed eaves, strong chateausque silhouette, and a high quality stone, brick and timber detailing. Much of its original character has been retained despite ongoing refurbishment and modification.

In terms of its broader urban context, the station is recognized by the CPR as a key ingredient of its image within the local community. It is an integral component of Edmonton's most significant heritage district, Old Strathcona, and is surrounded by buildings of similar scale and vintage.

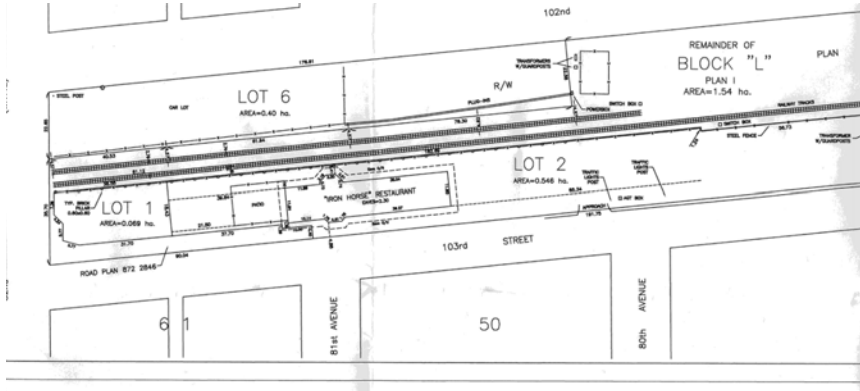

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated September 2, 2003.

Mark Rasmussen, *Assistant Deputy Minister*  
*Cultural Facilities and Historical Resources Division*
