

Alberta Regulation 51/2008
Marketing of Agricultural Products Act
TURKEY MARKETING AMENDMENT REGULATION

Filed: April 23, 2008

For information only: Made by Alberta Turkey Producers on February 11, 2008 pursuant to sections 26 and 27 of the Marketing of Agricultural Products Act and approved by the Agricultural Products Marketing Council on February 15, 2008 pursuant to sections 26 and 27 of the Marketing of Agricultural Products Act.

1 The *Turkey Marketing Regulation (AR 113/98)* is amended by this Regulation.

2 Section 12 is amended by adding the following after subsection (4):

(4.1) The Board may direct producers who have been allocated quotas to market part or all of their quotas to specific processors.

(4.2) If the Board directs producers to market part or all of their quotas to specific processors under subsection (4.1), the Board must establish rules, procedures and policies respecting the Board's directions to producers under subsection (4.1) and must review the rules, procedures and policies established under this subsection annually.

Alberta Regulation 52/2008

Municipal Government Act

**SOUTH RED DEER REGIONAL WASTEWATER
COMMISSION REGULATION**

Filed: April 23, 2008

For information only: Made by the Lieutenant Governor in Council (O.C. 142/2008) on April 23, 2008 pursuant to section 602.02 of the Municipal Government Act.

| 6 | Profit and surpluses |
| 7 | Approval |

Establishment

1 A regional services commission known as the South Red Deer Regional Wastewater Commission is established.

Members

2 The following municipalities are members of the Commission:

- (a) Town of Bowden;
- (b) Town of Innisfail;
- (c) Town of Olds;
- (d) Town of Penhold;
- (e) Mountain View County;
- (f) Red Deer County.

Services

3 The Commission is authorized to provide and operate a wastewater supply system.

Operating deficits

4 The Commission may not assume operating deficits that are shown on the books of any of the member municipalities.

Sale of property

5(1) The Commission may not, without the approval of the Minister, sell any of its land, buildings, equipment or inventory whose purchase has been funded wholly or partly by grants from the Government of Alberta.

(2) The Minister may not approve a sale under subsection (1) unless the Minister is satisfied

- (a) as to the repayment of the grants from the Government of Alberta and outstanding debt associated with that portion of the land, buildings, equipment or inventory to be sold,
- (b) that the sale would not have a significant adverse effect on the services the Commission provides, and
- (c) that the sale will be properly reflected in the rates subsequently charged to the customers of the Commission.

Profit and surpluses

- 6** Unless otherwise approved by the Minister, the Commission may not
- (a) operate for the purposes of making a profit, or
 - (b) distribute any of its surpluses to its member municipalities.

Approval

- 7** The Minister may make an approval under section 5 or 6 subject to any terms or conditions the Minister considers appropriate.

Definitions

1 In this Regulation,

- (a) “apprentice” means a person who is an apprentice in the trade;
- (b) “certified journeyman” means a certified journeyman as defined in the *Apprenticeship Program Regulation* (AR 258/2000);
- (c) “technical training” means technical training as defined in the *Apprenticeship Program Regulation* (AR 258/2000);
- (d) “trade” means the occupation of parts technician that is designated as an optional certification trade pursuant to the *Apprenticeship and Industry Training Act*;
- (e) “uncertified journeyman” means an uncertified journeyman as defined in the *Apprenticeship Program Regulation* (AR 258/2000).

Part 1

General Matters Respecting the Trade

Constitution of the trade

2(1) The undertakings set out in sections 6 and 12 constitute the trade.

(2) The trade is made up of the following:

- (a) the parts technician branch of the trade;
- (b) the materials technician branch of the trade.

Tasks, activities and functions

3 When practising or otherwise carrying out work in the trade, the tasks, activities and functions set out in sections 7 and 13 come within the trade.

Supervision, etc. of apprentices

4(1) Where, in respect of a branch of the trade, a person is a certified journeyman or an uncertified journeyman and is to provide supervision to an apprentice, that journeyman is eligible to supervise that apprentice only

- (a) in respect of the undertakings that constitute that branch, and
- (b) in respect of tasks, activities and functions that come within that branch,

for which that person is a certified journeyman or an uncertified journeyman.

(2) Where a person is an apprentice in an apprenticeship program in a branch of the trade and is employed in respect of another branch of the trade, that apprentice is eligible to carry out work only

- (a) in respect of the undertakings that constitute that branch, and
- (b) in respect of tasks, activities and functions that come within that branch,

for which that person is an apprentice.

Part 2

Parts Technician Branch of the Trade

Definition

5 In this Part, “parts” means any part, assembly or accessory pertaining to the following:

- (a) automobiles and trucks;
- (b) aviation;
- (c) electronics;
- (d) heavy duty vehicles and equipment;
- (e) agricultural equipment;
- (f) industrial equipment;

- (g) military equipment;
- (h) motorcycles;
- (i) outdoor power equipment;
- (j) recreational vehicles and equipment;
- (k) marine equipment;
- (l) turf equipment;
- (m) appliances.

Trade Matters Respecting the Branch

Undertakings constituting the branch

6 The undertakings that constitute the parts technician branch of the trade are the stock handling, inventory control, storing, securing, identifying, cataloguing, ordering, shipping, transporting, receiving, inspecting, pricing, purchasing, issuing, marketing and selling of parts.

Tasks, activities and functions

7 When practising or otherwise carrying out work in the parts technician branch of the trade, the following tasks, activities and functions come within that branch of the trade:

- (a) assessing customer requirements and providing the parts necessary for service, repair or replacement;
- (b) using electronic and non-electronic location systems, identification systems, communication systems and business procedures for the purpose of managing inventory and addressing customer needs;
- (c) selling and distributing parts;
- (d) selecting, operating and basic maintenance of hand tools and material handling equipment;
- (e) wrapping, packaging, labelling and strapping parts;
- (f) planning, maintaining and updating display areas;
- (g) operating and managing tool crib.

Apprenticeship

Term of the apprenticeship program re parts technician

8(1) Subject to credit for previous training or experience being granted pursuant to an order of the Board, the term of an apprenticeship program for the parts technician branch of the trade is 3 periods of not less than 12 months each.

(2) In the first period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and successfully complete the technical training that is required or approved by the Board.

(3) In the 2nd period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and successfully complete the technical training that is required or approved by the Board.

(4) In the 3rd period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and successfully complete the technical training that is required or approved by the Board.

Employment of apprentices re parts technician

9(1) Where, with respect to the employment of apprentices in the parts technician branch of the trade, a person employs an apprentice, that employment must be carried out in accordance with this section.

(2) Subject to subsection (3), a person who is a certified journeyman or an uncertified journeyman in the parts technician branch of the trade or employs a certified journeyman or an uncertified journeyman in that branch may employ 2 apprentices in that branch and 2 additional apprentices in that branch for each additional certified journeyman or uncertified journeyman in that branch that is employed by that person.

(3) Subsection (2) does not apply to an apprentice who is engaged in an apprenticeship program

- (a) in the parts technician branch of the trade and has completed all the requirements required or approved by the Board for advancement into the 3rd period of that apprenticeship program, or
- (b) in the materials technician branch of the trade and has completed all the requirements required or approved by the Board for advancement into the 3rd period of that apprenticeship program.

(4) For the purposes of subsection (2), a person who is a certified journeyman or an uncertified journeyman in the parts technician branch of the trade or employs a certified journeyman or an uncertified journeyman in the parts technician branch of the trade, instead of employing an apprentice in an apprenticeship program in the parts technician branch of the trade, may employ an apprentice in an apprenticeship program in the materials technician branch of the trade to carry out any of the undertakings that constitute the materials technician branch of the trade.

Wages re parts technician

10(1) With respect to the payment of wages to an apprentice in an apprenticeship program in the parts technician branch of the trade, a person shall not, subject to the *Apprenticeship Program Regulation* (AR 258/2000), pay wages to an apprentice that are less than those provided for under subsection (2).

(2) Subject to the *Employment Standards Code*, a person employing an apprentice referred to in subsection (1) must pay wages to the apprentice that are at least equal to the following percentages of the wages paid to employees who are certified journeymen or uncertified journeymen in the parts technician branch of the trade:

- (a) 65% in the first period of the apprenticeship program;
- (b) 75% in the 2nd period of the apprenticeship program;
- (c) 85% in the 3rd period of the apprenticeship program.

**Part 3
Materials Technician Branch
of the Trade**

Definition

11 In this Part, “commodities” includes any product, substance or organism pertaining to the following:

- (a) consumer services or products;
- (b) agricultural services or products;
- (c) transportation services or products;
- (d) natural resource products;
- (e) manufacturing products;
- (f) services or products for all levels of government.

Trade Matters Respecting the Branch

Undertakings constituting the branch

12 The undertakings that constitute the materials technician branch of the trade are the stock handling, inventory control, storing, securing, identifying, cataloguing, ordering, shipping, transporting, receiving, inspecting, pricing, purchasing, issuing, marketing and selling of commodities.

Tasks, activities and functions

13 When practising or otherwise carrying out work in the materials technician branch of the trade, the following tasks, activities and functions come within that branch of the trade:

- (a) assessing customer requirements and providing the commodities necessary for service, repair or replacement;
- (b) using electronic and non-electronic location systems, identification systems, communication systems and business procedures for the purpose of managing inventory and addressing customer needs;
- (c) selling and distributing commodities;
- (d) selecting, operating and basic maintenance of hand tools and material handling equipment;
- (e) wrapping, packaging, labelling and strapping commodities;
- (f) planning, maintaining and updating display areas;
- (g) operating and managing tool crib.

Apprenticeship

Term of the apprenticeship program re materials technician

14(1) Subject to credit for previous training or experience being granted pursuant to an order of the Board, the term of an apprenticeship program for the materials technician branch of the trade is 3 periods of not less than 12 months each.

(2) In the first period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and successfully complete the technical training that is required or approved by the Board.

(3) In the 2nd period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and

successfully complete the technical training that is required or approved by the Board.

(4) In the 3rd period of the apprenticeship program an apprentice must acquire not less than 1500 hours of on the job training and successfully complete the technical training that is required or approved by the Board.

Employment of apprentices re materials technician

15(1) Where, with respect to the employment of apprentices in the materials technician branch of the trade, a person employs an apprentice, that employment must be carried out in accordance with this section.

(2) Subject to subsection (3), a person who is a certified journeyman or an uncertified journeyman in the materials technician branch of the trade or employs a certified journeyman or an uncertified journeyman in that branch may employ 2 apprentices in that branch and 2 additional apprentices in that branch for each additional certified journeyman or uncertified journeyman in that branch that is employed by that person.

(3) Subsection (2) does not apply to an apprentice who is engaged in an apprenticeship program

- (a) in the materials technician branch of the trade and has completed all the requirements required or approved by the Board for advancement into the 3rd period of that apprenticeship program, or
- (b) in the parts technician branch of the trade and has completed all the requirements required or approved by the Board for advancement into the 3rd period of that apprenticeship program.

(4) For the purposes of subsection (2), a person who is a certified journeyman or an uncertified journeyman in the materials technician branch of the trade or employs a certified journeyman or an uncertified journeyman in the materials technician branch of the trade, instead of employing an apprentice in an apprenticeship program in the materials technician branch of the trade, may employ an apprentice in an apprenticeship program in the parts technician branch of the trade to carry out any of the undertakings that constitute the parts technician branch of the trade.

Wages re materials technician

16(1) With respect to the payment of wages to an apprentice in an apprenticeship program in the materials technician branch of the trade,

a person shall not, subject to the *Apprenticeship Program Regulation* (AR 258/2000), pay wages to an apprentice that are less than those provided for under subsection (2).

(2) Subject to the *Employment Standards Code*, a person employing an apprentice referred to in subsection (1) must pay wages to the apprentice that are at least equal to the following percentages of the wages paid to employees who are certified journeypersons or uncertified journeypersons in the materials technician branch of the trade:

- (a) 65% in the first period of the apprenticeship program;
- (b) 75% in the 2nd period of the apprenticeship program;
- (c) 85% in the 3rd period of the apprenticeship program.

Part 4 Transitional Provisions, Repeal, Expiry and Coming into Force

Apprenticeship continues

17 A person who immediately prior to May 1, 2008 was an apprentice in an apprenticeship program under the *Parts Technician Trade Regulation* (AR 293/2000) continues as an apprentice in that apprenticeship program under this Regulation.

Repeal

18 The *Parts Technician Trade Regulation* (AR 293/2000) is repealed.

Expiry

19 For the purpose of ensuring that this Regulation is reviewed for ongoing relevancy and necessity, with the option that it may be repassed in its present or an amended form following a review, this Regulation expires on August 31, 2013.

Coming into force

20 This Regulation comes into force on May 1, 2008.

Alberta Regulation 58/2008

Apprenticeship and Industry Training Act

HAIRSTYLIST TRADE AMENDMENT REGULATION
