2 The regulated members register established by the Council under section 33(1)(a) of the Act has the following categories:

- (a) general register;
- (b) temporary register;
- (c) courtesy register.

Registration**General register**

3(1) An applicant for registration as a regulated member on the general register must

- (a) have
 - (i) graduated with a Baccalaureate degree in foods and nutrition from a program approved by the Council,
 - (ii) successfully completed a dietetic internship or a practicum from a program approved by the Council, and
 - (iii) successfully completed the registration examination,or
- (b) have
 - (i) graduated with a Masters or Doctoral degree from a program approved by the Council,
 - (ii) successfully met the competency standards required for graduate students approved by the Council, and
 - (iii) successfully completed the registration examination.

(2) An applicant for registration under subsection (1) must have completed the requirements set out in subsection (1) within 3 years of the date the Registrar receives a complete application.

(3) An applicant who does not meet the requirements of subsection (2) must successfully complete the requirements for academic and experiential upgrading as directed by the Registrar or the Registration Committee.

Equivalent jurisdiction

4 A person currently registered in another jurisdiction recognized by the Council under section 28(2)(b) of the Act as having substantially equivalent registration requirements is eligible for registration on the general register if the person's registration is in good standing in the other jurisdiction and the person is not a temporary or non-regulated member in that jurisdiction.

Equivalent competence

5(1) An applicant who does not meet the requirements under section 3 or 4 but whose qualifications have been determined by the Registrar or Registration Committee to be substantially equivalent to the registration requirements set out in section 3 is eligible for registration on the general register.

(2) For the purposes of subsection (1), the Registrar or the Registration Committee may require the applicant to undertake one or more of the following:

- (a) prior learning assessments;
- (b) language fluency assessments;
- (c) learning modules;
- (d) practicums;
- (e) practical experience assessments;
- (f) competence assessments;
- (g) examinations;
- (h) any other assessment or program requested by the Registrar or Registration Committee.

(3) For the purposes of subsection (1), the Registrar or the Registration Committee may employ testing services, national dietetic standards organizations, assessment experts and other persons to assist in determining qualifications.

Temporary register

6(1) An applicant is eligible for registration as a regulated member on the temporary register if the applicant meets the requirements of section 3 except for having evidence of successfully completing the registration examination and if the applicant

- (a) has applied to write the registration examination, or

- (b) has written the registration examination but has not yet received the results.
- (2) A registration on the temporary register expires 8 weeks after
 - (a) the date the registrant wrote the registration examination referred to in subsection (1)(b), or
 - (b) the date of the registration examination referred to in subsection (1)(a).
- (3) Despite subsection (2), a registrant on the temporary register may apply for an extension to a date that is 8 weeks after the next registration examination is scheduled to be held if
 - (a) the registrant was unable to successfully complete the registration examination referred to in subsection (1)(a) or (b) for reasons satisfactory to the Registrar or the Registration Committee, and
 - (b) the registrant has applied to write the next scheduled examination.
- (4) If a regulated member on the temporary register successfully completes the registration examination referred to in subsection (1)(a) or (b), the Registrar must remove the regulated member's name from the temporary register and enter it on the general register.
- (5) A person who is registered on the temporary register may practice only while supervised, in a manner satisfactory to the Registrar or the Registration Committee, by a regulated member on the general register.

Courtesy register

- 7(1)** A person who is registered as a dietitian or nutritionist in good standing in another jurisdiction who requires registration in Alberta on a temporary basis for a specified purpose approved by the Registrar and who satisfies the Registrar of the person's competence to provide the services related to the specified purposes is eligible for registration on the courtesy register.
- (2) The term of the registration of a person registered in the courtesy register is for 6 months or less, as specified by the Registrar.
- (3) A person who is registered on the courtesy register must remain registered in the jurisdiction in which the person was registered at the time of the person's application for registration on the courtesy register.

Character, reputation and information

8(1) All applicants for registration as regulated members must provide evidence of having good character and reputation by submitting any of the following, on the request of the Registrar:

- (a) a statement by the applicant as to whether the applicant is currently undergoing an unprofessional conduct process or has previously been disciplined by another regulatory body responsible for the regulation of dietitians or nutritionists or of another profession;
- (b) a statement as to whether the applicant has ever been convicted of a criminal offence;
- (c) any other evidence as requested.

(2) All applicants for registration as regulated members must provide the relevant information referred to in section 26(1).

Restricted Activities**Restricted activities qualifications**

9 A regulated member who demonstrates competence in the provision of one or more restricted activities listed in section 10, in accordance with dietetic standards of practice and criteria for demonstrating competence as established by the Council, may be authorized by the Registrar to provide one or more of those restricted activities.

Restricted activities

10(1) Subject to section 9, a regulated member may perform the following restricted activities as set out in Schedule 7.1 to the *Government Organization Act*:

- (a) to insert or remove instruments, devices, fingers or hands beyond the point in the nasal passages where they normally narrow or beyond the pharynx for the purposes of inserting or removing nasoenteric tubes, if in the provision of nutrition support the regulated member is providing enteral nutrition;
- (b) to insert instruments, devices, fingers or hands into or remove them from an artificial opening in the body if, in the provision of nutrition support, the regulated member provides enteral nutrition to patients and inserts or removes gastrostomy or jejunostomy tubes;

- (c) to prescribe a Schedule 1 drug within the meaning of the *Pharmaceutical Profession Act* for the purposes of providing nutrition support;
- (d) to prescribe parenteral nutrition if the regulated member is providing nutrition support and the member is authorized to prescribe a Schedule 1 drug within the meaning of the *Pharmaceutical Profession Act*;
- (e) to prescribe and administer oral diagnostic imaging contrast agents if in the provision of medical nutrition therapy a regulated member performs a video fluoroscopic swallowing study or assists with the study;
- (f) to perform psychosocial intervention if a regulated member is providing psychonutrition therapy in the treatment of disordered eating patterns;
- (g) to distribute without payment, for the purposes of nutritional support or medical nutrition therapy, drugs regulated by a schedule to the *Pharmaceutical Profession Act* and pursuant to a prescription, if required by the *Pharmaceutical Profession Act*.

(2) A regulated member who prescribes or distributes any drugs pursuant to subsection (1) may only do so in accordance with criteria established by the Council.

AR 79/2002 s10;147/2004

Restriction

10.1 Despite sections 9 and 10, regulated members must restrict themselves in performing restricted activities to those activities that they are competent to perform and that are appropriate to the member's area of practice and the procedure being performed.

AR 147/2004 s3

Supervision of restricted activities

11(1) A student enrolled in a program approved by the Council or a regulated member undergoing training to perform the restricted activity in accordance with criteria established by the Council may perform the restricted activities set out in section 10 under the direct supervision of a regulated member registered on the general register.

(2) The supervising regulated member must be

- (a) on-site with the student or regulated member while the student or regulated member is performing the restricted activity,

- (b) available for consultation and to assist the student or regulated member in performing the restricted activity as required, and
- (c) authorized by this Regulation to provide the restricted activity.
