(5) A justice who is satisfied that an information on oath submitted by telephone or other means of telecommunication

(a) is in respect of an investigation under this Act and conforms to the requirements of subsection (4),

(b) discloses reasonable grounds for dispensing with an information presented personally and in writing, and

(c) discloses reasonable grounds for the issuance of a search warrant in respect of the investigation,

may issue a tele-warrant to a safety codes officer and may require that the tele-warrant be executed within any time period that the justice may order.

(a) the justice must complete and sign the tele-warrant in the form prescribed in the regulations, noting on its face the date, time and place of issuance,

(b) the safety codes officer, on the direction of the justice, must complete, in duplicate, a facsimile of the tele-warrant in the form prescribed in the regulations, noting on its face the name of the issuing justice and the date, time and place of issuance, and

(a) a statement of the time and date the tele-warrant was executed, or if the tele-warrant was not executed, a statement of the reasons why it was not executed,

(b) a statement of the things, if any, that were seized pursuant to the tele-warrant and the location where they are being held, and

(c) a statement of the information, data, records, reports, documents and things, if any, that were seized in addition to the things mentioned in the tele-warrant and the location where they are being held, together with a statement of the safety codes officer’s grounds for believing that those additional things provide evidence relevant to the unsafe condition, accident or fire under investigation.

(11) The clerk of The Provincial Court of Alberta with whom a written report is filed pursuant to subsection (10) must, as soon as is practicable, cause the report, together with the information on oath and a copy of the tele-warrant to which it pertains, to be brought before a justice to be dealt with in respect of anything that was seized and is referred to in the report, in the same manner as if the things were seized pursuant to a search warrant issued by a justice on an information presented personally by a safety codes officer.

(12) In any proceeding in which it is material for a court to be satisfied that a search or seizure was authorized by a tele-warrant issued under subsection (5), the absence of a copy of the information on oath, transcribed and certified by the justice as to the time, date and contents, or a copy of the tele-warrant, signed by the justice and carrying on its face a notation of the time, date and place of issuance, is, in the absence of evidence to the contrary, proof that the search or seizure was not authorized by a tele-warrant issued under subsection (5).
