(c) in an area where wildlife of that kind may be lawfully hunted,

(b) suspend a person’s right to obtain or hold a licence or permit,

(c) reinstate a cancelled licence or permit, or

(d) remove a suspension of or restore a suspended right to obtain or hold a licence or permit.

1.1 If the Minister has entered into an agreement under section 10 of the Government Organization Act with the government of Canada or of a province or territory or of another country or component part of another country that deals with the suspension or cancellation of the recreational licences in Alberta and that other jurisdiction of persons who have been convicted of offences relating to hunting, other than by means of traps, or whose right to hunt, other than by means of traps, or to obtain or hold recreational licences, has been suspended or cancelled under the laws of each such jurisdiction, the Minister may

(a) cancel or suspend an Alberta recreational licence held by such a person,

(b) suspend such a person’s right to obtain or hold such a recreational licence,
(c) reinstate a recreational licence that has been so cancelled, or

(d) remove such a suspension of or restore such a suspended right to obtain or hold a recreational licence.

(1.2) In construing subsection (1.1),

(a) the terms “hunt”, “hunting”, “recreational licences” and “traps” are to be construed, to the extent that they relate to the jurisdiction other than Alberta, generally as applying to the equivalent terminology in the equivalent laws of that jurisdiction and in accordance with the laws of that jurisdiction, and

(b) if there is no term equivalent to the term “recreational licence”, the term is to be taken to refer to those licences or equivalent permissions that are as closely equivalent to recreational licences as the comparative contexts of the legislation of Alberta and the other jurisdiction allow.

(2) Subsection (1)(c) and (d) do not apply in respect of a cancellation or suspension under subsection (1.1) or section 101 or 102.

(2.1) Subsection (1)(d) does not apply in respect of a suspension under section 35(4)(b) of the Fisheries (Alberta) Act.

(3) Without limiting the applicability of any other provision of this Act against which an offence involving a licence or permit may be committed, a person who does anything

(a) under the purported authority of a licence or permit that is under suspension, or

(b) while the person’s right to obtain or hold a licence or permit is under suspension that would be authorized by that licence or permit if held and if that right were not under suspension,

whether the suspension was imposed under this section, section 101 or 102 of this statute or section 35(4)(b) of the Fisheries (Alberta) Act, is guilty of an offence against this subsection if the holding of a valid licence or permit is necessary to make the act lawful.

(4) Where a suspension or cancellation of a licence or permit or a suspension of the right to obtain or hold a licence or permit is imposed under section 101 or 102 or this section, a notice to that effect is sufficiently served on a person if it is sent by registered mail to the last recorded address shown on the licence or permit, as

of that kind.

(3) Notwithstanding subsection (2), no right of compensation

privately owned animal is harassing wildlife, the officer or
guardian may order the owner or the person in charge of that
animal to confine it in the manner directed by the officer or
guardian and that person shall comply with the order, but this
subsection does not apply to the extent that that animal is a dog and
the wildlife is

45(2)(b), or

(b) other wildlife being hunted if the hunter is lawfully
entitled to hunt that wildlife and the use of a dog for that
hunting is not prohibited by law.

   circumstances described in subsection (2)(a) or (b), or 
   
   (b) is damaging or is likely to damage wildlife habitat,

(4) Where a privately owned animal is believed to pose an 
immediate danger to any person or is damaging or is imminently 
likely to damage property, an officer or guardian may, if it is in the

animal.

(5) An officer or guardian and the Crown are not liable for the 
death of or any injury to the privately owned animal resulting from 
anything done under this section.

capture or kill such an animal, the officer or guardian may make a 
written or oral order that the area be closed to public access for the 
period specified in the order or, if no such period is so specified, 
until such time as an officer or guardian orders that the area be 
reopened to public access.

(2) If an officer or guardian believes that the continuation of 
hunting in an area constitutes a safety hazard to any person, the 
officer or guardian may make a written or oral order that the area 
be closed to hunting for the period specified in the order or, if no 
such period is so specified, until such time as an officer or guardian 
orders that the area be reopened to hunting.

(3) Where an officer or guardian makes an order under subsection 
(1) or (2), the officer or guardian shall endeavour to give notice of 
the closure or reopening, as the case may be, by whatever method 
the officer or guardian considers most appropriate to all who may 
be affected.

(a) to refrain from doing anything that may result in the continuation or repetition of the offence;

(b) to take action to remedy any harm to any animal or endangered organism or its habitat that resulted, or to avoid any such harm that may result, from the act or omission constituting the offence;

(c) to publish the facts relating to that act or omission;

(2) Where a person is convicted by a court of an offence against this Act in relation to section 19(3), 22, 24(1), 33(1)(c), 37(1) or (2), 39, 40(1), (2) or (7), 41(1), 45(1)(b) or 51(1) or, if the offence is in respect of wildlife that is not a bird of prey or an endangered animal, section 55(1), a justice may cancel all that person’s recreational licences and suspend that person’s right to obtain or...
hold any such licence for a period of one year, 2 years, 3 years, 4 years or 5 years.

(3) A justice hearing a case involving an offence referred to in subsection (1) may increase any suspension provided for to any higher suspension period that may be imposed under subsection (2).

(4) Where a suspension of a licence or of a right to obtain or hold a licence is imposed under section 19 or this section, and

(a) that licence is already under suspension,

(b) the right to obtain or hold that licence has already been suspended, or

(c) the licence has been cancelled,

the suspension takes effect from the expiration of any existing suspension or, in the case of a cancellation unaccompanied with a suspension, the first date on which the accused could, but for the subsequent suspension, lawfully apply for and hunt under a new licence.

(5) Subject to subsection (4), a suspension under this section has effect from the date of the conviction.

(6) Where a person is convicted of more than one offence referred to in any provision of this section, suspensions under this section of the licences or permits or of the rights to obtain or hold them run consecutively and not concurrently with respect to each conviction, regardless of when the convictions are imposed and even if imposed on the same day or on 2 consecutive days.

(7) A person whose licence is cancelled by virtue of this section shall forthwith deliver the licence to a wildlife officer.

Suspension of licence and fishing licence on fine payment default

102 In addition to any cancellation or suspension under section 101 of this statute or section 35(4)(b) of the Fisheries (Alberta) Act, if

(a) a person is convicted of an offence against this Act and ordered to pay a fine, and

(b) the person does not pay the fine forthwith or within the time that the court has allowed for payment of the fine,
all of that person’s recreational licences and licences issued under the *Fisheries (Alberta) Act* that authorize sportfishing within the meaning of that Act, and the right to obtain or hold any such instrument, are automatically suspended until such time as the Minister is satisfied that the fine has been paid.

(2) A suspension under this section has effect

(a) in the case where the court has allowed time for payment of the fine, from the last date on which payment can be made, or

(b) in any other case, from the date of conviction.

(3) Where, in respect of any period, a licence or a right to apply for or hold a licence would, but for this subsection, be suspended under both this section and section 19 or 101 of this statute or section 35(4)(b) of the *Fisheries (Alberta) Act*, then, notwithstanding anything in those sections, the suspension under this section is to be treated as running first in point of time on its coming into effect and, if the suspension under section 19 or 101 of this statute or section 35(4)(b) of the *Fisheries (Alberta) Act* is already in effect, the suspension under this section temporarily interrupts the running of that other suspension.
