Levels of child care certification

13 For the purposes of this Regulation, the following levels of child care certification are established:

- (a) child development supervisor;
- (b) child development worker;
- (c) child development assistant.

Application for certification

14(1) An individual may apply to the director to be certified at a level of child care certification set out in section 13.

(2) An application under subsection (1) must be in a form satisfactory to the director and must be accompanied with evidence of the qualifications referred to in section 15, 16 or 17, as the case may be.

Child development supervisor

15(1) The director may certify an applicant as a child development supervisor if the applicant

- (a) has obtained, from a comprehensive community college or private vocational school, a diploma acceptable to the director in the field of child development, or
- (b) has completed course work that the director considers to be equivalent to the course work required for a diploma referred to in clause (a).

(2) An individual who immediately before the coming into force of this Regulation held a level 3 qualification certificate issued under the *Child Care Regulation* (AR 180/2000) is deemed to be certified under this section as a child development supervisor.

AR 143/2008 s15;10/2019

Child development worker

16(1) The director may certify an applicant as a child development worker if the applicant

- (a) has obtained, from a comprehensive community college or private vocational school, a certificate acceptable to the director in the field of child development, or
- (b) has competencies, completed course work or a combination of both that the director considers to be equivalent to the course work required for a certificate referred to in clause (a).

(2) An individual who immediately before the coming into force of this Regulation held a level 2 qualification certificate issued under the *Child Care Regulation* (AR 180/2000) is deemed to be certified under this section as a child development worker.

AR 143/2008 s16;10/2019

Child development assistant

17(1) The director may certify an applicant as a child development assistant if the applicant

- (a) has completed a course in child care that is approved by the director, or
- (b) has competencies that the director considers equivalent to a course in child care approved by the director.

(2) An individual who immediately before the coming into force of this Regulation held a level 1 qualification certificate issued under the *Child Care Regulation* (AR 180/2000) is deemed to be certified under this section as a child development assistant.

Cancellation of certification

18(1) The director may cancel a certification under section 15, 16 or 17 if the director is satisfied that the certification was issued based on false or inaccurate information.

(2) The director must provide written notice to an individual whose certification is cancelled.

Part 4 Administrative Matters

Forms

19(1) The form for an application for a licence or a renewal of a licence under section 4 of the Act is set out in Schedule 6.

(2) The form for a notice of appeal referred to in section 21(3) of the Act is set out in Schedule 7.

Repeal

20 The *Child Care Regulation* (AR 180/2000) is repealed.

Expiry

21 For the purpose of ensuring that this Regulation is reviewed for ongoing relevancy and necessity, with the option that it may be repassed in its present or an amended form following a review, this Regulation expires on October 31, 2020.

AR 143/2008 s21;152/2016

Coming into force

22 This Regulation comes into force on the coming into force of the *Child Care Licensing Act*.

Schedule 1**Day Care Program****Definitions**

1 In this Schedule,

- (a) “licence holder” means a person who holds a licence in respect of a day care program;
- (b) “program” means a day care program in respect of which a licence has been issued under section 5 of the Act.

Part 1**Program Requirements****Day care program**

2(1) A licence holder must provide a program that is in keeping with the physical, social, intellectual, creative and emotional needs of children in the program.

(2) A licence holder must not provide overnight child care to children in the program.

(3) Where the licence holder provides transportation for a child between the child’s home and the program premises, the periods of transportation must not, for the purposes of the Act, this Regulation or this Schedule, be considered as part of the program.

Child discipline

3(1) A licence holder must ensure that

- (a) child discipline methods utilized in the program are communicated to
 - (i) parents,
 - (ii) staff, and
 - (iii) children, where developmentally appropriate,
- and

- (b) any child disciplinary action taken is reasonable in the circumstances.

(2) A licence holder must not, with respect to a child in the program,

- (a) inflict or cause to be inflicted any form of physical punishment, verbal or physical degradation or emotional deprivation,
- (b) deny or threaten to deny any basic necessity, or
- (c) use or permit the use of any form of physical restraint, confinement or isolation.

Off-site activity and emergency evacuation

4(1) A licence holder may take a child to an activity off the program premises only where

- (a) the child's parent has been advised of the activity, including the transportation and supervision arrangements with respect to the activity, and
- (b) the child's parent has consented in writing to the child's participation in the activity.

(2) A licence holder must ensure that in the case of an activity off the program premises or an emergency evacuation a staff member takes the portable record referred to in section 24 of this Schedule in respect of each child to be taken off the program premises.

Emergency and safety contacts and procedures

5(1) A licence holder must ensure that the following telephone numbers are posted on the program premises and are readily accessible:

- (a) emergency medical service;
- (b) ambulance service;
- (c) fire department;
- (d) police service;
- (e) poison control centre;
- (f) nearest hospital or emergency medical facility;
- (g) child abuse hotline.

(2) A licence holder must ensure that the telephone number for an after-hours emergency program contact is posted in a place that is visible from the outside of the program premises.

(3) A licence holder must ensure that emergency evacuation procedures are made known to all staff, and to children where developmentally appropriate.

Accident or illness

6 In the case of an accident or serious illness involving a child, the licence holder must forthwith ensure that

- (a) the child's parent is notified, and
- (b) the child receives medical attention if necessary.

Incident reporting

7(1) In this section, "incident" means

- (a) a serious illness of or injury to a child that occurs while the child is attending a program, and
- (b) any other incident that occurs while a child is attending a program that may seriously affect the health or safety of the child.

(2) A licence holder must report each incident to the director forthwith in the manner required by the director.

Potential health risk

8(1) Subject to subsection (3), where a staff member knows or has reason to believe that a child is exhibiting signs or symptoms of illness as set out in subsection (2), the licence holder must ensure

- (a) that the child's parent arranges for the immediate removal of the child from the program premises, and
- (b) that the child does not return to the program premises until the licence holder is satisfied that the child no longer poses a health risk to persons on the program premises.

(2) Signs or symptoms of illness exhibited by a child include the child

- (a) vomiting, having a fever, diarrhea or a new or unexplained rash or cough,

- (b) requiring greater care and attention than can be provided without compromising the care of the other children in the program, or
- (c) having or displaying any other illness or symptom the staff member knows or believes may indicate that the child poses a health risk to persons on the program premises.

(3) Subsection (1) does not apply if the child's parent provides written notice from a physician indicating the child does not pose a health risk to persons on the program premises.

Supervised care for sick children

9 A licence holder must ensure that a sick child is

- (a) kept as far away as is practicable from the other children, and
- (b) directly supervised by a primary staff member.

Medication

10(1) A licence holder may administer or allow the administration of medication to a child only where

- (a) the written consent of the child's parent has been obtained,
- (b) the medication is in the original labelled container, and
- (c) the medication is administered according to the labelled directions.

(2) Where medication is administered to a child, the licence holder must ensure that the following information is recorded:

- (a) the name of the medication;
- (b) the time of administration;
- (c) the amount administered;
- (d) the initials of the person who administered the medication.

(3) A licence holder must ensure that

- (a) subject to clause (b), all medication is stored in a locked container that is inaccessible to children, and

- (b) medication that may be needed in an emergency is stored in a place that is inaccessible to children.

Health care

11 A licence holder may provide or allow for the provision of health care to a child only if

- (a) the written consent of the child's parent has been obtained, or
- (b) the health care provided is in the nature of first aid.

Smoking

12(1) A licence holder must ensure that no person smokes on the program premises.

(2) No staff member shall smoke at any time or place where child care is being provided.

Nutrition

13 A licence holder must

- (a) provide or require parents to provide meals and snacks for children in the program,
- (b) where the licence holder provides meals and snacks, ensure that the meals and snacks are provided to children
 - (i) at appropriate times and in sufficient quantities in accordance with the needs of each child, and
 - (ii) in accordance with a food guide recognized by Health Canada,

and

- (c) ensure that infant nutrition provided by parents is clearly labelled with the infant's name.

Menus

14 A licence holder must ensure that menus for meals and snacks provided by the licence holder are posted in a prominent place on the program premises.

Manner of feeding

15 A licence holder must ensure that

- (a) the manner in which children are fed is appropriate to their age and level of development,
- (b) children are seated while eating and drinking, and
- (c) no beverages are provided to children while they are napping.

Part 2

Physical Space Requirements

Layout of program premises

16 A licence holder must, with respect to the program premises, ensure that

- (a) washrooms and washroom fixtures are conveniently located and easily accessible to children,
- (b) areas used for child care have a layout that is conducive to effective supervision of children, and
- (c) adequate space is designated for administrative and staff needs.

Diapering

17 A licence holder must

- (a) provide
 - (i) a change table, or
 - (ii) individual changing pads for each child requiring diapering,
- (b) ensure that children are diapered in an area that allows for appropriate supervision of the other children, and
- (c) ensure that proper hand washing procedures are followed when diapering children.

Net floor area

18(1) A licence holder must provide a minimum net floor area of 3 square metres per child.

(2) The net floor area must be calculated

- (a) on the basis of licensed capacity, and
- (b) by measuring the primary play space.

(3) Despite subsection (1), where the licence holder is a transitional licence holder and the licence was in force on November 30, 1990, the licence holder may include unencumbered hallway space and half the washrooms in the calculation of net floor area.

Outdoor play space

19(1) A licence holder must provide outdoor play space that is adjacent to or within easy and safe walking distance from the program premises and accommodates at least 50% of the licensed capacity at a level of not less than 2 square metres for each child under 19 months of age and not less than 4.5 square metres for each child who is 19 months of age or over.

(2) The licence holder must ensure that

- (a) the outdoor play space referred to in subsection (1) is securely enclosed on all sides, and
- (b) all entrances to and exits from the outdoor play space that do not lead into the interior of the program premises are kept closed at all times while children are using the outdoor play space.

(3) Despite subsection (2), the director may

- (a) exempt a licence holder from any requirement of subsection (2) in respect of program premises that are located on school property if the director is satisfied that
 - (i) outdoor play space that meets the requirements of subsection (2) is not reasonably available, and
 - (ii) the children will be adequately supervised and protected in the outdoor play space provided by the licence holder,

or

- (b) exempt a transitional licence holder from any requirement of subsection (2) in respect of program premises that are located on public property if the director is satisfied in respect of the matters referred to in clause (a)(i) and (ii).

(4) A licence holder must ensure that the number of children utilizing the outdoor play space at any given time does not exceed the number that can be accommodated in accordance with subsection (1).

Indoor furnishings and equipment

20 A licence holder must ensure that

- (a) indoor furnishings, play equipment and play materials are
 - (i) safe and maintained in good repair,
 - (ii) developmentally appropriate for children, and
 - (iii) of sufficient quantity and variety for children,
- (b) books, toys and play equipment that support literacy development are available to children, and
- (c) each child under 12 months of age is provided with a separate crib or alternative infant bed approved by the director.

Outdoor equipment

21 A licence holder must ensure that outdoor play equipment and play materials are

- (a) safe and maintained in good repair,
- (b) developmentally appropriate for children, and
- (c) of sufficient quantity and variety for children.

Part 3
Records Requirements

Children's records

22(1) A licence holder must, in respect of each child, maintain on the program premises an up-to-date record containing the following information:

- (a) the child's name, date of birth and home address;
- (b) a completed enrolment form;
- (c) the parent's name, home address and telephone number;
- (d) the name, address and telephone number of a person who can be contacted in case of an emergency;
- (e) if medication is administered,
 - (i) the written consent of the parent required under section 10(1) of this Schedule, and

- (ii) the information required under section 10(2) of this Schedule;
 - (f) the particulars of any health care provided to the child, including the written consent of the child's parent required under section 11 of this Schedule;
 - (g) any other relevant health information about the child provided by the child's parent, including the child's immunizations and allergies, if any.
- (2) A licence holder must ensure that a record referred to in subsection (1) is available for inspection
- (a) by the director at all times, and
 - (b) by the child's parent at reasonable times.

Administrative records

23(1) A licence holder must maintain on the program premises up-to-date administrative records containing the following information:

- (a) particulars of the daily attendance of each child, including arrival and departure times;
 - (b) particulars of the daily attendance of each primary staff member, including
 - (i) arrival and departure times, and
 - (ii) hours spent providing child care;
 - (c) with respect to the program supervisor and each primary staff member,
 - (i) evidence of the supervisor's or member's child care certification, and
 - (ii) a current first aid certificate, where applicable;
 - (d) with respect to each staff member and each volunteer referred to in section 25(1)(a) of this Schedule, verification that a current criminal record check required under that section has been provided to the licence holder.
- (2) A licence holder must ensure that
- (a) the records referred to in subsection (1) are available for inspection by the director at all times,

- (b) the information referred to in subsection (1)(a) is available for inspection by the child's parent at reasonable times, and
- (c) the information referred to in subsection (1)(a) and (b) is retained for a minimum period of 2 years.

Portable record

24 A licence holder must maintain a portable record of emergency information, including the following:

- (a) in respect of each child, the information referred to in section 22(1)(a), (c), (d) and (g) of this Schedule;
- (b) the telephone numbers of the local emergency response service and poison control centre.

Part 4 Staffing Requirements

Core requirements

25(1) A licence holder must ensure that

- (a) each staff member and each volunteer who has unsupervised access to children
 - (i) is an adult, and
 - (ii) provides to the licence holder a criminal record check, including a vulnerable sector search, dated not earlier than 6 months prior to the date of commencement with the program and every 3 years after that date,

and

- (b) a minimum of one in every 2 of the primary staff members has first aid certification acceptable to the director.

(2) A new staff member

- (a) must provide the criminal record check referred to in subsection (1)(a)(ii) within 8 weeks of commencement with the program, and
- (b) must not have unsupervised access to children until the criminal record check has been provided.

(3) A licence holder must ensure that at least one staff member with first aid certification acceptable to the director is on duty at all times.

Program supervisor

26(1) A licence holder must ensure that a program supervisor who is certified as a child development supervisor is on the staff of the program at all times.

(2) When the program supervisor is not on the program premises, the program supervisor must

- (a) designate a staff member to assume the responsibilities of the program supervisor during the program supervisor's absence, and
- (b) in the case of an extended absence, obtain the director's approval with respect to the designation of a staff member under clause (a) if that staff member is not certified as a child development supervisor.

Ratios and maximum group size

27(1) A licence holder must ensure that, at all times, the following requirements are met with respect to

- (a) the minimum primary staff member to children ratio, and
- (b) the maximum number of children who may be included in a group:

Age of Children	Primary Staff Member to Children Ratio	Maximum Number of Children in a Group
Infants less than 12 months	1:3	6
Infants 12 months to less than 19 months	1:4	8
19 months to less than 3 years	1:6	12
3 years to less than 4.5 years	1:8	16
4.5 years and older	1:10	20

(2) Despite subsection (1), a licence holder must ensure that, at all times while children are sleeping, the following requirements are met with respect to the minimum primary staff member to children ratio:

Age of Children	Primary Staff Member to Children Ratio
Infants less than 12 months	1:6
Infants 12 months to less than 19 months	1:8
19 months to less than 3 years	1:12
3 years to less than 4.5 years	1:16
4.5 years and older	1:20

(3) Despite subsection (1), where a group of children includes children from 2 or more of the age groups specified in the table in subsection (1),

- (a) the minimum primary staff member to children ratio is the ratio, as prescribed in subsection (1), for the age group that constitutes the majority of children in the combined group, and
- (b) the maximum number of children who may be included in the group is as follows:

Age of Children in the Combined Age Group		Maximum Number of Children in the Combined Age Group
Youngest Child in the Group	Oldest Child in the Group	
Infants	19 months to less than 3 years	10
Infants	3 years to less than 4.5 years	12
Infants	4.5 years or older	14
19 months to less than 3 years	3 years to less than 4.5 years	14
19 months to less than 3 years	4.5 years or older	16
3 years to less than 4.5 years	4.5 years or older	18

(4) Subject to subsection (5), a licence holder who is licensed to provide child care for 3 or more children under 12 months of age must not allow a child under 12 months of age to be included in a combined age group referred to in subsection (3) between the hours of 8:30 a.m. and 4:30 p.m.

(5) The director may specify times, other than those referred to in subsection (4), during which a licence holder must not allow children under 12 months of age to be included in a combined age group referred to in subsection (3).

(5.1) Despite subsection (4), the director may exempt a licence holder from any requirement of subsection (4) if the director is satisfied that the developmental needs of the children under 12 months of age will be met.

(6) For the purposes of subsections (1) and (2), a program supervisor may be included in the primary staff member to children ratio if the licensed capacity of the program requires less than 7 full-time primary staff members.

Minimum staffing and general supervision

28(1) Despite section 27 of this Schedule, a licence holder must ensure that

- (a) where 7 or more children are present at a program, whether on or off the program premises, a minimum of 2 adult staff members, one of whom is a primary staff member, are on duty, and
- (b) children are, at all times, under supervision that is adequate to ensure their safety, well-being and development.

(2) Where children are being transported between the program premises and school, the director may exempt the licence holder from the requirements of section 27 of this Schedule and subsection (1)(a) of this section with respect to children being transported.

Primary staff members

29(1) A licence holder must ensure that all primary staff members hold a child care certification under Part 3 of this Regulation.

(2) Despite subsection (1), in the case of a primary staff member who is hired as a child development assistant, the primary staff member

- (a) must obtain a child care certification as a child development assistant within 6 months of commencement with the program, and
- (b) must not have unsupervised access to children until the primary staff member has obtained a child care certification as a child development assistant.

Staff qualifications

30(1) A licence holder must ensure that, with respect to the primary staff member to children ratios specified in section 27 of this Schedule,

- (a) at all times between 8:30 a.m. and 4:30 p.m., at least one in every 4 of the primary staff members is certified at minimum as a child development worker and the other primary staff members are certified at minimum as child development assistants, and
- (b) at all other times of the day, every primary staff member is certified at minimum as a child development assistant.

(2) Despite subsection (1), on and after September 1, 2012, a licence holder must ensure that, with respect to the primary staff member to children ratios specified in section 27 of this Schedule, one in every 3 of the primary staff members is certified at minimum as a child development worker.

Exemptions

31(1) The director may exempt a licence holder from a qualification requirement in section 26(1) or 30 of this Schedule if the director is satisfied that an exemption is appropriate in the circumstances.

(2) An exemption issued under subsection (1) must

- (a) be in writing,
- (b) be for a specified period of time, and
- (c) be accompanied with a plan, provided by the licence holder and approved by the director, addressing how the licence holder will meet the qualification requirement in respect of which the exemption is granted.

(3) A licence holder must ensure that an exemption issued under subsection (1) and the plan referred to in subsection (2)(c) are posted in a prominent place on the program premises.

Accident or illness

6 In the case of an accident or serious illness involving a child, the licence holder must forthwith ensure that

- (a) the child's parent is notified, and
- (b) the child receives medical attention if necessary.

Incident reporting

7(1) In this section, "incident" means

- (a) a serious illness of or injury to a child that occurs while the child is attending a program, and
- (b) any other incident that occurs while a child is attending a program that may seriously affect the health or safety of the child.

(2) A licence holder must report each incident to the director forthwith in the manner required by the director.

Potential health risk

8(1) Subject to subsection (3), where a staff member knows or has reason to believe that a child is exhibiting signs or symptoms of illness as set out in subsection (2), the licence holder must ensure

- (a) that the child's parent arranges for the immediate removal of the child from the program premises, and
- (b) that the child does not return to the program premises until the licence holder is satisfied that the child no longer poses a health risk to persons on the program premises.

(2) Signs or symptoms of illness exhibited by a child include the child

- (a) vomiting, having a fever, diarrhea or a new or unexplained rash or cough,
- (b) requiring greater care and attention than can be provided without compromising the care of the other children in the program, or
- (c) having or displaying any other illness or symptom the staff member knows or believes may indicate that the child poses a health risk to persons on the program premises.

(3) Subsection (1) does not apply if the child's parent provides written notice from a physician indicating the child does not pose a health risk to persons on the program premises.

Supervised care for sick children

9 A licence holder must ensure that a sick child is

- (a) kept as far away as is practicable from the other children, and
- (b) directly supervised by a primary staff member.
