**GOVERNMENT NOTICES**

**COMMUNITY DEVELOPMENT**

NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File No. Des 0262

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the portion of the structure known as the Delmar Bard Residence and Carriage House, together with the land legally described as Plan 19, Block 84, Lots 13 and 14 and the west half of Lot 12, and municipally located at 10544-84 Avenue, Edmonton, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the designation are as follows:

Custom designed by Keith Brothers Architects and constructed in 1912, the Bard Residence is an excellent example of an upscale version of the Foursquare Style with the inclusion of a conservatory on the east elevation and a carriage house at the back of the property. The historical significance of the Bard Residence lies in its representation of the boom period in Edmonton's history, which proceeded World War I. During this time, minor "mansions" were built for people who had frequently come from obscure backgrounds, but had done well in the economic growth period of the time. Many of these wished to demonstrate their advanced station by building elaborate and ornate homes for their families. The Bard residence is a significant landmark in the "Old Strathcona" district of Edmonton. The intact carriage house is one the best examples of few remaining structures of its type in the province.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated March 10, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister.*

File No. Des 2039

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the portion of the structure known as the St. Mary's School constructed in 1909, together with the land legally described as Descriptive Plan 9211492, Block 18, Lot 1A, excepting thereout all mines and minerals, and municipally located at 1916-2 Street SW, Calgary, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the designation are as follows:

St. Mary's School, constructed in 1909 in Calgary's Mission district is both the first and oldest purpose built Catholic School in the city. This school itself was established in 1885 and its early history is closely linked with that of the Roman Catholic community in the area. The historical significance of the St. Mary's School lies in its association with the Francophone community in south Calgary which was prominent prior to the turn of the century, but which was quickly submerged during the boom years prior to World War 1. It is also significant in its representation of Calgary's enormous growth at this time and is one of few girls' schools to have operated in Alberta during the early part of the 20th century. The St. Mary's School is a symbol of early religious educational institutions in the city and the province. The school remains as prominent landmark within the religious enclave of the "Mission District".

It is therefor considered that the preservation and protection of the resource is in the public interest.

Dated March 2, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister*.

be designated a Registered Historic Resource under section 15 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

Dated March 8, 2000.
