NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File: Des. 2049

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the structure known as the Sarah McLellan House with the land legally described as plan 123A, block 159, lots 24 and the west half of lot 25, excepting thereout all mines and minerals out of the west half of lot 25 only, and municipally located at 11135-84 Avenue, Edmonton, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reason for the designation are as follows:

The historical significance of the McLellan House lies in its association in the development of the Garneau district of Edmonton, particularly in its ties to the Strathcona Military Hospital, which later evolved into the University of Alberta Hospital. It provides structural evidence of the extensive growth of the City of Edmonton prior to World War I and is an excellent example of the local post Victorian architecture erected in the City by the upper middle class at the time.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated March 27, 2000.

*Dr. W.J. Byrne, Assistant Deputy Minister,  
Cultural Facilities and Historical Resources Division.*
