MINISTERIAL ORDER

(Historical Resources Act)

I, Stan Woloshyn, Minister responsible for the administration of the Historical Resources Act, as amended from time to time, pursuant to section 15(8) of that Act, order that the designation of the Lebel Mansion (St. Vincent's Hospital), together with the land legally described as Plan 8010360, Block 1, Lot 1, excepting thereout all mines and minerals and municipally described as 707 Schofield Street, Pincher Creek, Alberta

as a Registered Historic Resource pursuant to an Order dated March 26, 1976, as authorized by section 15(1) of the Historical Resources Act, is hereby rescinded.

Dated at Edmonton March 23, 2000.

Stan Woloshyn, *Minister*.

NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File: Des. 1827

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the structure known as Hangar #14, together with the land legally described as Plan 5328MC, Block 15C, Lot 1, containing 2.34 hectares (5.79 acres) more or less, excepting thereout: as to .368 hectares (0.91 acre) more or less under Plan 6466MC. Excepting thereout all mines and minerals, and municipally located at 11410 Kingsway Avenue, Edmonton, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reason for the designation are as follows:

In 1941 Hangar 14 was constructed at the Municipal Airport as part of the facilities being erected across Canada to house the British Commonwealth Air Training Plan (BCATP). The Plan was an agreement between Canada, Great Britain, Australia and New Zealand to train, in Canada, aircrew for duty during the Second World War. Edmonton was chosen as the location for an Initial Training School, an Elementary Flying School and an Air Observers School. Hangar 14 was used primarily by the air Observers School. Hangars built for the BCATP were of a standard design that could be doubled in width and depth depending on the size of the school and the facilities required. Hangar 14 is both a double wide and double long model. It is the only structure of this type built for the BCATP in Canada that survives. The Hangar's significance is immeasurably enhanced through its association with W.R. Wop May, perhaps the most famous figure in Edmonton's aviation past, who was instrumental in running the Air Observers School. It was also the home to Canada's 418 "City of Edmonton Squadron" after its return from Europe. The significance of this hangar cannot be overstated. Its status as the only remaining hangar of its type from the BCATP, and its association with May and the 418 Squadron give it unparalleled importance in the interpretation of aviation not only in Alberta, but in Canada.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated April 5, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister*.
Cultural Facilities and Historical Resources Division.
