COMMUNITY DEVELOPMENT

NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File: Des. 840

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the site known as the Buffalo Lake Metis Settlement, together with the land legally described as: Meridian 4, Range 20, Township 41, Section 11, E1/2 LSD 13.LSD 14, W1/2 LSD 15 and municipally located in the County of Stettler No. 6

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reason for the designation are as follows:

The Metis colony at Buffalo Lake represents one of few known remaining mid-late nineteenth century Metis settlements in Alberta. It consists of at least 89 individual cabin sites near Buffalo Lake, representing a good historic record of Metis life ways during this part of Alberta's history. Information on the Metis settlement is supplemented by the rich

source of written journals and letters compiled by the O.B.S., late Missionaries, while living in the settlement. To date, very little historic research on the Metis of Alberta has been completed. The archaeological remains at the Buffalo Lake site are well preserved and have a considerable amount of documented material associated with them. The site contains a great deal of information on mid-late nineteenth century Metis lifestyle and behaviour. The Metis Settlement at Buffalo Lake is one of the most significant known Metis heritage resources in the Province.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated July 7, 2000.

Stan Woloshyn, Minister.
