COMMUNITY DEVELOPMENT

NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File: Des. 2039

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the exterior envelope of the portion of the structure known as the St. Mary's School that was constructed in 1909, together with the land legally described as Descriptive Plan 9211492, Block 18, Lot 1A, excepting thereout all mines and minerals, and municipally located at 1916-2 Street SW, Calgary, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the designation are as follows:

St. Mary's School, constructed in 1909 in Calgary's Mission district is both the first and oldest purpose built Catholic School in the city. This school itself was established in 1885 and its early history is closely linked with that of the Roman Catholic community in the area. The historical significance of the St. Mary's School lies in its association with the Francophone community in south Calgary which was prominent prior to the turn of the century, but which was quickly submerged during the boom years prior to World War

I. It is also significant in its representation of Calgary's enormous growth at this time and is one of few girls' schools to have operated in Alberta during the early part of the 20th century. The St. Mary's School is a symbol of early religious educational institutions in the city and the province. The school remains as prominent landmark within the religious enclave of the "Mission District".

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated August 4, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister.*
Cultural Facilities and Historical Resources Division.
