## ORDERS IN COUNCIL

### MUNICIPAL GOVERNMENT ACT

O.C. 476/2000

Approved and ordered:  
Lois E. Hole,  
*Lieutenant Governor.*

Edmonton, November 29, 2000

The Lieutenant Governor in Council orders that

- (a) effective January 1, 2001, the land described in Appendix A and shown on the sketch in Appendix B is separated from The County of Grande Prairie No. 1 and annexed to the City of Grande Prairie,
- (b) any taxes owing to The County of Grande Prairie No. 1 at the end of December 31, 2000 in respect of the annexed land are transferred to and become payable to the City of Grande Prairie together with any lawful penalties and costs levied in respect of those taxes, and the City of Grande Prairie upon collecting those taxes, penalties and costs must pay them to The County of Grande Prairie No. 1, and
- (c) the assessor for the City of Grande Prairie must assess, for the purpose of taxation in 2001, the annexed land and the assessable improvements to it,
- and makes the Order in Appendix C.

Ralph Klein, Chair.

**APPENDIX C**

**ORDER**

- 1 In this Order "annexed land" means the land described in Appendix A and shown on the sketch in Appendix B.
- 2 For taxation purposes in 2001 and later years up to and including 2003, the annexed land and the assessable improvements to it must
  - (a) be assessed by the City of Grande Prairie on the same basis as if they had remained in The County of Grande Prairie No. 1, and
  - (b) be taxed by the City of Grande Prairie in respect of each assessment class that applies to the annexed land and the assessable improvements to it using the tax rate established by The County of Grande Prairie No. 1.
- 3 Section 2 ceases to apply to a portion of the annexed land and the assessable improvements to it in the taxation year immediately following the taxation year in which
  - (a) the portion becomes a new parcel of land created as a result of subdivision or separation of title by registered plan of subdivision or by instrument or any other method that occurs at the request of, or on behalf of, the landowner,
  - (b) the portion becomes a residual portion after a new parcel referred to in clause (a) has been created and the residual portion is 3 acres or less, or
  - (c) the portion is, at the request of or on behalf of the landowner, redesignated by an amendment to the City of Grande Prairie Land Use Bylaw.
- 4 After section 2 ceases to apply to a portion of the annexed land in a taxation year, the portion of the annexed land and the assessable improvements to it must be assessed and taxed for the purposes of property taxes in that year on the same basis as the assessment and taxation of property of the same assessment class in the City of Grande Prairie.

## COMMUNITY DEVELOPMENT

### NOTICE OF INTENTION TO DESIGNATE PROVINCIAL HISTORIC RESOURCE

(Historical Resources Act)

File No. Des. 0203

Notice is hereby given that sixty days from the date of service of this notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the structure known as:

The Strathcona Hotel, together with the land legally described as Plan I, Block 68, Lots 1 and 2, excepting thereout of said lot 2 all that portion thereof lying to the west of a straight line connecting a point on the north boundary of said lot, 30.10 feet east of the north west corner of said lot measured along said north boundary with a point on the south boundary of said lot distant 29.1 feet east from the south west corner of said lot measured along said south boundary, and municipally located at 10308-82 Avenue, Edmonton, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the proposed designation are as follows:

The Strathcona Hotel, constructed in 1891, is the first and oldest hotel in the historic Old Strathcona District of Edmonton. Built on an "L" shaped plan, the Strathcona Hotel is a plain wood frame building with two brick additions constructed in 1907 and 1913. It is a simple but rare design of this type of commercial building, which reflects the social and cultural history associated with the construction of early hotels in the Edmonton area. It was the first hotel constructed at the end of the Calgary and Edmonton Railway, thus functioning as an important meeting place and landmark for early Strathcona. It also served as the Westminster Ladies College during the prohibition era from 1918 to 1924.

The historical significance of the Strathcona Hotel lies in its service as a stopover for countless immigrants who flocked into south Edmonton (Strathcona) after the arrival of the railroad in 1891. It is the oldest wood frame commercial structure in the region and is a well-known landmark in the "Old Strathcona" District of Edmonton.

It is therefore considered that preservation and protection of the resource is in the public interest.

Dated December 7, 2000.

*Assistant Deputy Minister.*

File: Des. 0447

Notice is hereby given that sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the structure known as the St. Patrick's Roman Catholic Church, together with the land legally described as Plan 3677JK, Block 1, excepting thereout all mines and minerals and the right to work the same and municipally located at 14608 Macleod Trail SW, Calgary, Alberta be designated as a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reason for the designation are as follows:

St. Patrick's Roman Catholic Church is an interesting example of a typical early 20th Century rural Alberta church. Constructed in 1904, it is among an ever-diminishing set of pioneer churches remaining in the province. Though not particularly notable for its design in the context of its contemporary buildings when it was erected, it is becoming ever more so with the passage of time.

The historical significance of St. Patrick's Church lies in its provision of structural evidence of the spiritual and social activity of the Oblate Fathers and Sisters of Charity who served there, and the spread of the Roman Catholic faith in the region south of Calgary throughout the greater part of the last century. Indeed, along with the Lacombe Home, it can be seen as the centre of Roman Catholic activity in the region south of Calgary for much of this time. The Church is closely associated with a number of significant historical figures that contributed greatly to the historical development of southern Alberta. These include: Father Albert Lacombe, a significant figure in western Canadian history, who is considered to be the first resident pastor at St. Patrick's, Father Joseph-Jean-Marie Lestanc a noted itinerant priest who along with Father Lacombe and Father Jacques Riou travelled to the Midnapore area to conduct mass in private homes, and early influential pioneers such as Samuel W. Shaw, Patrick Glenn and Patrick Burns.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated December 8, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister*.

File No. Des. 2032

Notice is hereby given that sixty days from the date of service of this notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the structure known as the Canadian Bank of Commerce Building, together with the land legally described as Plan 4175R, Block 6, Lots 1 and 2, excepting thereout all Coal, and municipally located at Innisfree, Alberta, be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the proposed designation are a follows:

The historical significance of the Canadian Bank of Commerce Building in Innisfree lies in its association with the growth and prosperity of the mixed farming district around the community, and its representation of a typical northern prairie bank, designed and operated along the lines of similar banks in rural Alberta. Designed by Darling and Pearson, and constructed in 1906/7, the Canadian Bank of Commerce building is a fine example of a "prairie type" of prefabricated bank, that through its neoclassical style was designed to reflect an air of stability and security to potential investors. The structure has a high degree of original integrity, is one of the oldest structures in the region, and contributes significantly to the historical continuity and mainstreet of the Village of Innisfree.

It is therefore considered that preservation and protection of the resource is in the public interest.

Dated November 29, 2000.

Dr. W.J. Byrne, *Assistant Deputy Minister*.

File No. Des. 2039

Notice is hereby given that sixty days from the date of service of this notice and its publication in the Alberta Gazette, the Minister of Community Development intends to make an Order that the exterior envelope of the portion of the structure known as the St. Mary's School that was constructed in 1909, together with the land legally described as Descriptive Plan 9211492, Block 18, Lot 1A, excepting thereout all mines and minerals, and municipally located at 1916-2 Street SW, Calgary, Alberta

be designated a Provincial Historic Resource under section 16 of the Historical Resources Act, R.S.A. 1980 c.H-8 as amended.

The reasons for the proposed designation are a follows:

St. Mary's School, constructed in 1909 in Calgary's Mission district is both the first and oldest purpose built Catholic School in the city. The school itself was established in 1885 and its early history is closely linked with that of the Roman Catholic community in the area. The historical significance of the St. Mary's School lies in its association with the Francophone community in south Calgary which was prominent prior to the turn of the century, but which as quickly submerged during the boom years prior to World War 1. It is also significant in its representation of Calgary's enormous growth at this time and is one of few girls' schools to have operated in Alberta during the early part of the 20th century. The St. Mary's School is a symbol of early religious

educational institutions in the city and the province. The school remains as prominent landmark within the religious enclave of the "Mission District".

It is therefore considered that preservation and protection of the resource is in the public interest.

Dated December 8, 2000.

**MUNICIPAL AFFAIRS**

**APPROVAL OF PURCHASER'S PROTECTION PROGRAMS**

(Condominium Property Act)

The Condominium Property Regulation requires a notice summarizing the terms and conditions of the program and a notice of the approval of the program by the Minister before the program is applied in respect of any property.

The programs protect against loss by a purchaser because a developer fails to complete the construction of the units or common property. Where a developer is covered by a purchaser's protection program, the developer must provide a certificate to the purchaser containing information specified in the Regulation about the program and its effective dates and coverage.

The Purchaser's Protection Program requires sufficient money to be held in trust to complete that owner's unit and portion of the common property which is related to the enjoyment of the unit - for example, ensuring access to the unit, etc.

The Minister of Alberta Government Services Pat Nelson approved Purchaser's Protection Programs for the Alberta New Home Warranty Program and the National Home Warranty Program on December 7, 2000.

**COMPANION POLICY 35-101CP  
CONDITIONAL EXEMPTION FROM REGISTRATION FOR  
UNITED STATES BROKER-DEALERS AND AGENTS**

**PART 1 INTRODUCTION**

- 1.1 Introduction** - Cross-border trading activities between Canada and the United States of America often take place because of the movement of residents between the two countries. In order to facilitate certain cross-border trading activities that may arise between United States broker-dealers and their existing clients who are now located in Canada, the Canadian securities regulatory authorities have adopted National Instrument 35-101 Conditional Exemption From Registration for United States Broker-Dealers and Agents (the "Instrument") which provides certain broker-dealers, and their agents, resident in the United States of America with a conditional exemption from the applicable registration requirements and the prospectus requirement. This approach is consistent with the Instrument's underlying policy that investors will be relying primarily upon the regulation by securities regulators and statutory liability imposed by legislation in the broker-dealer's or agent's home jurisdiction for protection.

**PART 2 GENERAL PRINCIPLES**

- 2.1 General** - The Instrument provides that a United States broker-dealer and its agents may engage in two specific types of cross-border trading activities in foreign securities with an individual who was previously resident in the United States of America, and is now located in Canada, regardless of nationality. In Quebec, the term foreign securities includes futures.
- 2.2 Temporarily Resident** - The first category of activity provided for under clause 2.1(c)(I) and clause 3.1(d)(I) of the Instrument permits brokers-dealers and their agents to deal in foreign securities with an individual ordinarily resident in the United States of America who is temporarily resident in a Canadian jurisdiction and with whom the broker-dealer had a broker-dealer client relationship before the individual became temporarily resident in the Canadian jurisdiction. This aspect of the Instrument is intended to allow persons from the United States who are on a temporary work assignment in Canada, or who may be in Canada on vacation or for other reasons, to trade with their home broker-dealer and agent in the United States of America. The concept of "temporarily" as it appears in the National Instrument is based upon SEC Rule 15a-6 which exempts certain non-United States broker-dealers from registering under the 1934 Act.

The Canadian Securities Administrators are of the view that a person that ceases to be "ordinarily resident" in the United States of America would not retain status as a United States resident "temporarily resident" in Canada under the Instrument.

- 2.3 Tax-Advantaged Plans** - The second category of activity provided for under clause 2.1(c)(ii) and clause 3.1(d)(ii) of the Instrument permits broker-dealers and their agents to deal in foreign securities with an individual who was previously resident in the United States of America and who is resident in a Canadian jurisdiction for trades for and with the individual's tax-advantaged retirement savings plan (for example, an Individual Retirement Account), if the plan is located in the United States and the individual is either a holder of, or contributor to, the plan. Under laws of the United States of America, tax-advantaged retirement savings plans must be located in the United States of America and result in adverse tax consequences for United States individuals if collapsed. For these reasons, individuals are permitted by the Instrument to continue this type of trading activity with a broker-dealer and its agent in the United States of America whether or not there was a pre-existing relationship with the broker-dealer or agent while the individual was in the United States of America.
- 2.4 Prospectus and Underwriter Exemption** - Part 4 of the Instrument exempts a distribution of foreign securities by United States broker-dealers and their agents under the registration exemptions provided for in the Instrument from the prospectus requirement and the underwriter registration requirement. However, the distribution of foreign securities must comply with applicable United States federal securities law and state law requirements in the United States of America, which include securities registration and prospectus delivery.

### **PART 3 OPERATION OF EXEMPTIVE RELIEF**

- 3.1 Affiliates** - Section 2.1 of the Instrument requires that the broker-dealer have "no office or physical presence in any jurisdiction". A broker-dealer that has a Canadian affiliate in any jurisdiction is still able to take advantage of the exemptions provided for under the Instrument. The Canadian affiliate, however, is not able to take advantage of the exemptions.
- 3.2 Limitation of Exemptions** - Any activity beyond the scope of the exemptions will constitute unregistered activity and will be subject to the applicable enforcement provisions provided for under Canadian securities legislation.
- 3.3 Retention of Authority** - Under Canadian securities legislation, each of the Canadian securities regulatory authorities retains the authority to revoke the exemptions as they apply to a broker-dealer or agent if the broker-dealer's or agent's conduct is considered to be contrary to the public interest.
- 3.4 Receipt of Documentation** - The Canadian securities regulatory authorities will acknowledge receipt of material sent by broker-dealers and agents under the Instrument.
- 3.5 Fees** - No fees will be imposed on broker-dealers or agents by the Canadian securities regulatory authorities under the exemptions provided for under the Instrument.

### **PART 4 INQUIRIES REGARDING PAST ACTIVITIES**

- 4.1 Restricted Activities** - A Canadian securities regulatory authority will not make inquiries about any possible failure by broker-dealers or their agents to register that rely on the exemption from registration for their

- (a) trading activities and related incidental advising activities that may have been conducted with an individual from the United States of America that take place before the date which is 120 days after the coming into effect of the Instrument in the jurisdiction in which the Canadian securities regulatory authority is situate, if the individual
  - (i) was temporarily resident in the jurisdiction and the broker-dealer or agent had a broker-dealer client relationship with the individual before the individual became temporarily resident in the jurisdiction, or
  - (ii) if the trades were for or with a tax-advantaged retirement savings plan located in the United States of America and the individual was either the holder of, or contributor to, the plan; and
- (b) any other trading and related incidental advising activities that may have been conducted in the jurisdiction before September 1, 1996.

**4.2 Other Activities** - A Canadian securities regulatory authority may make inquiries if it comes to its attention that a broker-dealer or its agent may have been engaged in improper activities in the jurisdiction in which the Canadian securities regulatory authority is situate beyond failing to register.
