
The 2000 Index begins on page 1 and is arranged in alphabetical order under six major headings:

- Advertisements
- Appointments
- Government Notices
- Orders in Council
- Proclamations
- Resignations and Retirements

Three Table of Contents are published in the first section (pages i-viii) to help you find material in the 2000 index.

The Alphabetical Table of Contents, contains in alphabetical order, each of the major headings, subheadings, and subdivisions found in the index. It includes the names of Acts used in the index and it contains many cross-references.

The Systematic Table of Contents is a subject guide arranged in the order in which corresponding material is published in the index. Entries are filed alphabetically within indentions. There are no cross-references in the Systematic Table of Contents.

The List of Acts Cited, is arranged in alphabetical order and lists the name of each Act cited in the index. Material is published in the Alberta Gazette by authority of an enabling statute.
