

Freedom of Information and Protection of Privacy (FOIP) Guidelines and Practices 2009 Edition

The FOIP Guidelines and Practices is available from the Alberta Queen's Printer. This edition distills a substantial body of rulings by the Information and Privacy Commissioner into a comprehensive, easy-to-use reference tool. This single volume combines section-by-section analysis with practical guidance on administering an access and privacy program within a public body. It includes clear and concise explanations of the way the Commissioner has interpreted the Act in Orders and Investigation Reports.

The new edition of FOIP Guidelines and Practices will be indispensable to all FOIP offices. It incorporates all the recent amendments (including those in the FOIP Amendment Act, 2006), the most significant decisions of the Commissioner, and new treatments of a number of topics, such as

- criteria for excusing fees in the public interest
- exercise of rights by guardians
- disclosure not contrary to the public interest

Also covered are legislative changes, including

- records relating to audits by the new office of the Chief Internal Auditor of Alberta
- ministerial briefing books
- disclosure of personal information to a foreign court or tribunal
